Il nome di questa collezione è ispirato ad una frase di Gabriele D'Annunzio: "Memento audere semper" (Ricordati di osare sempre).

Una linea apparentemente semplice e tradizionale diventa audace con l'inserimento di una puntinatura che rende lo smalto impuro. La ricerca di tale effetto ci riporta alla memoria le imperfezioni dello smalto delle antiche maioliche.

L'audacia si ripete e si amplifica nella ricercatezza e nella unicità delle strutture decorative del fondo Trame.

The name of this collection comes from a Latin phrase coined by Gabriele D'Annunzio: "Memento audere semper" (remember to dare, always).

An apparently simple and traditional line is emboldened with the inclusion of speckling that breaks up the pristine glazed surface. The use of this effect is reminiscent of the glaze imperfections associated with antique majolica tiles.

This striking design feature is repeated and intensified in the aesthetic sophistication and singularity of the decorative structures of the Trame tile.
