genesi40

Collezione composta da tre colori, due formati e due finiture (lucida e satinata).

Il formato diventa per Genesi40 l'elemento caratterizzante: una serie che ha una sua individualità e una caratterizzazione precisa, autonoma ma al contempo perfettamente compatibile con la collezione Genesi26, con cui condivide colori, superficie e complementarietà dei formati.

A collection composed of three colours, two sizes and two finishes (glossy and mat).

In Genesi40 the tile size becomes the distinctive feature: a highly individual series with a strong and autonomous personality, but that can also be integrated perfectly with the Genesi26 collection, with which it shares the colours, the surface and with which it is compatible in terms of sizes.
